Visionary & Educationist

DR. RAJARAM JAIPURIA
Founder

SHRI SHISHIR JAIPURIA
Chairman

Our perspective of education is holistic in nature combined with strong values and traditions. The concepts like blended learning, digital learning and activity-based learning have been implemented to enhance learning outcomes of our children. I firmly believe that all these new initiatives will prepare our children to accept and face challenges of the changing educational environment with fortitude and aplomb.

JAIPURIA PHILOSOPHY

OUR VISION

We aim to nurture happy and confident children by providing child-centric learning. Our endeavour is to promote creativity, environmental sensitivity and academic excellence. We help inculcate a spirit of lifelong learning for our children to be effective change agents.

OUR METHODS

Our highly qualified teachers use most innovative methods to impart child-centric learning. We recognize talent, encourage creativity, and tap into the immense potential of each and every student. We use cutting-edge technology to keep pace with the modern times.

OUR GOALS

Excellence in education is our primary goal. We aim for holistic development of a child's mind, body, and spirit. We educate the mind, train the body, and inculcate values of perseverance, tolerance, optimism, mutual respect, and sensitivity towards the natural environment. We aim to create strong personality.

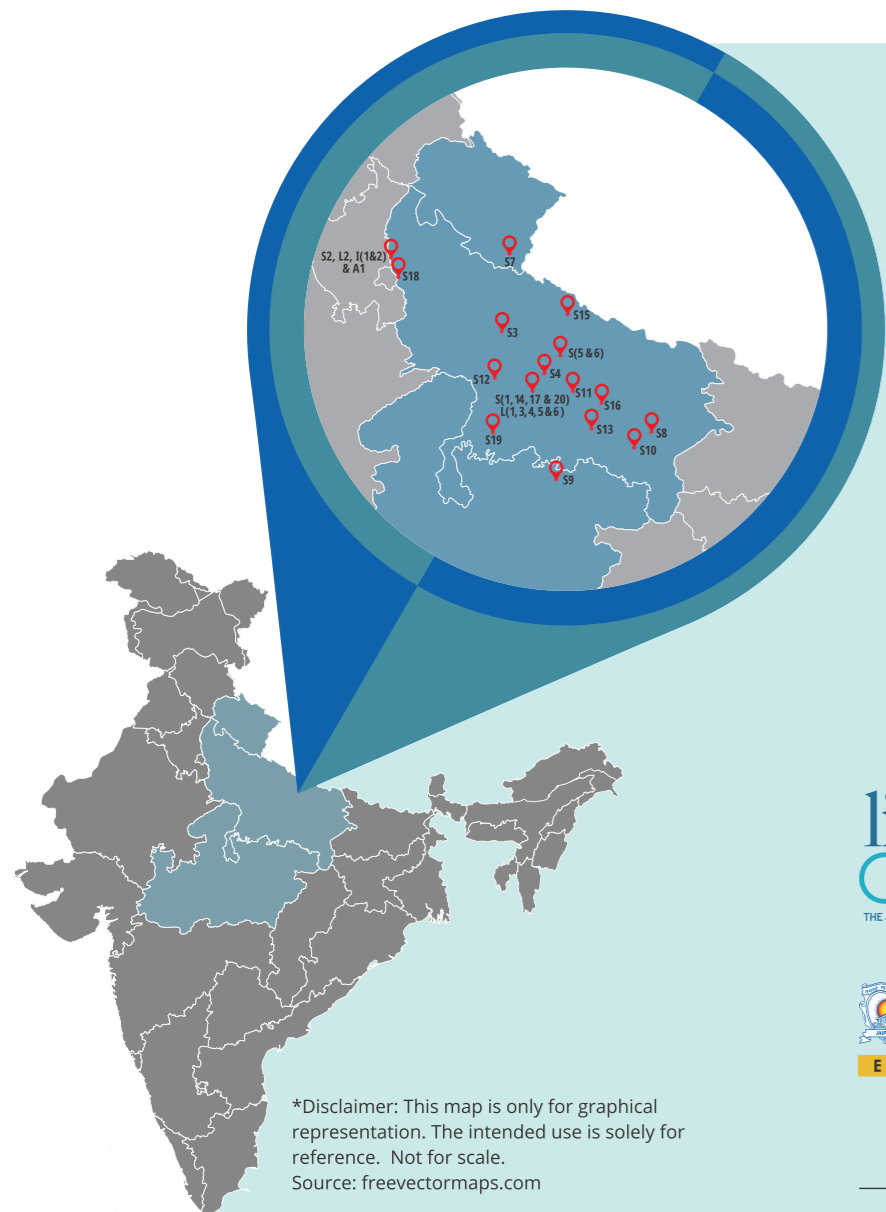

LEGACY OF JAIPURIA

The rich legacy of Seth Anandram Jaipuria Group of Educational Institutions goes back to 1945, when Seth Anandram Jaipuria College was founded in Kolkata and was inaugurated by Pandit Jawaharlal Nehru. Since then, the Jaipuria Group has made giant strides in the field of education. Today the group runs 19 K-12 schools, 5 preschools and 2 Management institutions in 11 cities with 20000+ students and 15000+ alumni.

ABOUT THE CAMPUS

Seth Anandram Jaipuria School at Naini has a sprawling campus with spacious classrooms and all the educational facilities a child needs for an all-round development. The library is well stocked with books on a wide range of subjects. The Math Lab sharpens the analytical mind with practical puzzles and problems of arithmetic, geometry, and algebra. The Science Lab introduces students to the rudiments of chemistry, physics and biology. The Computer Lab keeps a child up to speed with technology and encourages practical application of scientific knowledge. We have play zones for indoor games, and playground for outdoor sports. There is a big multi-purpose hall for activities like **yoga, dance, and gymnastics**. Students interested in music can choose from a variety of instruments at the Music Room. Likewise, the Art & Craft room teaches the essentials and fine points of painting, sculpting and origami. The whole campus is scrupulously clean and safe with all necessary hygiene and sanitary measures.

MESSAGE FROM THE DIRECTOR

Dear Students, Parents, and Teachers,

At Seth Anandram Jaipuria School Naini, we work every day to make our institute feature amongst the best school in the city. Our objective is to provide better choices and opportunities to students so that they are able to achieve their goals in academics and co-curricular activities.

We are committed to work with parents, teachers, and students to ensure that the children get everything they need to blossom into responsible adults. We are continually designing and redesigning the programs and curriculum to prepare students to deal with real-life scenarios.

We have created an environment where young learners engage with modern-day teaching methodology to delve deep into their creativity and come up with innovative ideas that make the world a better place to live in.

DR. PANNA LAL
Director

MESSAGE FROM THE PRINCIPAL

Dear Parents,

Another year is about to start and I feel very privileged to welcome you all. I would like to take this opportunity to specially welcome our new Kindergarten students and families as they get ready to begin their educational career at our school. Starting of a new year brings about change and anticipation for everyone. As my team of teachers and I prepare for our students to join us, I would like to share with you some significant factors, all of which would be positively impacting the teaching-learning atmosphere in our school.

Our classrooms are well-lit with sufficient space for every child. The teachers are selected based on subject knowledge and experience, where they can contribute immensely to the growth of your ward. We also try and inculcate traditional Indian values to our learners so that they are aware of their roots and fall back on their inner strength during several instances in the journeys of their lives.

We wish all of you a fruitful and rewarding academic year with us.

Principal

JAIPURIA CURRICULUM

Seth Anandram Jaipuria School offers a national syllabus, guided by NCERT, New Delhi, along the lines of the New Education Policy 2020.

To prepare our students for the 21st century, we have many complementary learning and skill development programs and activities in the curriculum. They are aimed at sharpening a student's mind. Additionally, we have incorporated a happiness period to counter the stress that students might feel in the course of their studies. The happiness period occurs on weekly basis. It involves activities that help students cheer up. It shapes their temperament congenially to face different situations with calm and ease.

PREPARING STUDENTS FOR 21st CENTURY

SOCIAL EMOTIONAL LEARNING

Developing self-awareness, self-control and interpersonal skills in students to help them cope with modern challenges.

CREATIVITY & CRITICAL THINKING

Innovative ways to encourage creativity and sharpen critical thinking in students.

CODING

Early introduction to coding (computer language) for kids through easy, enjoyable and practical methods.

DESIGN THINKING

New approach to problem solving in five smart steps: Empathise, Define, Ideate, Prototype, & Test

LITERACY & NUMERACY SKILLS

Enhancing a student's ability to read, write, comprehend, understand and calculate using modern technology tools.

BEYOND ACADEMICS

At Seth Anandram Jaipuria School, we go beyond academics to bring out the best in students. Teachers are quick to recognize talent and encourage artistic creativity, performative skills, and aptitude for sports. These co-curricular activities are an essential part of our teaching program and they ensure a harmonious physical, mental and emotional growth in a child.

VISUAL ART

Drawing, painting, and Art & Craft classes to help students use their imagination creatively.

LABS

English Labs to teach pronunciation and vocabulary. Maths Labs to grasp concepts of arithmetic, geometry & algebra.

SPORTS & GAMES

Lots of games and sports to choose from: cricket, football, basketball, volleyball, table tennis, chess, carrom and many more.

LIFE SKILLS

Life Skills such as self-defence, first aid, and time management to equip your child for the real-world challenges.

VR & AR LABS

Virtual Reality and Augmented Reality Labs for more immersive learning experience by using cutting-edge technology.

TECH INTEGRATION

DIGITAL CLASSES

Our students benefit immensely from virtual learning classes that ensure uninterrupted teaching even at a distance.

INTER-JAIPURIA FESTIVALS

COMFEST is the centrepiece of Inter-Jaipuria Festivals. An annual event, the festival is a social-cultural-technological extravaganza that tests and celebrates creative expertise, mental aptitude, literary prowess, and technical proficiency of participants. Hundreds of students from national and international schools take part in multiple events at this fest.

COMPUFEST is a great platform for all the computer geeks and nerds to show their talent. It's a proud 15-year-old legacy of Seth Anandram Jaipuria School. Aimed at pushing the boundaries of Artificial Intelligence learning, the fest invites computer whizz-kids to participate in multitude of events. Each event focusses on different aspects of AI.

Razzmatazz is a festival that fetes creativity in children from pre-primary to grade 12. In its five editions so far, the festival has seen participation by hundreds of students from dozens of schools across India. Each year's festival has a new theme around which multiple events of performative arts are held and evaluated by dozens of judges.

Debating skills, logical thinking, critical analysis, and linguistic eloquence come to the fore at Dr. Rajaram Jaipuria Memorial Debate. In three years of its running, the debate has emerged as a notable meeting-of-the-minds event where debaters from several schools compete to put across their points of view.
